

Torchon Pendant

Torchon is a pendant light that exploits the viscous potential of molten glass. In our Auckland workshop a soft spherical vessel of glass is carefully mouth-formed. The piece is finished with a wafer-thin bespoke LED lamp, suspended from a pair of super-fine wires.

Designer	Cheshire Architects
Year	2015
Description	Pendant Light
Materials	Glass
Product Code	TOR001
Colour Options	Clear Cord colour- Black Canopy colour- Black
Dimensions	Product dimensions- H250mm x W250mm x D250mm/ L12"x W12"x H12" Canopy dimensions- 100mm/ 4" Cable Length- 200mm/ 6.5Ft
Bulb Spec	Colour Temp- 2700K CRI- 95 Lumens- 133 Wattage- 2.64W Average life- 50.000 hours Voltage- 24V Dimming system- 1 - 10v line dimming
Packing	L420mm x W420mm x H420mm/ H16.5"x W16.5"x D16.5" CBM- 0.074/ Cubic Ft- 2.59
Packing Weight	4.6kg/ 4Lbs
Certification	CE
Warranty	3 years
