

V Wall Light

Designer- Resident Studio/ Year 2015

V is a cantilevered feature Wall Light made of brass. Its two outreaching arms trace an equilateral triangle in space. Part of the Geometric family, the V Wall light contains a warm LED light source which projects both down to the ground and up against the wall. The light is held in suspension by two slim wires, which are adjustable, allowing the frame to hang gracefully from the wall in a variety of positions.

Product Description

Wall Light

Product Code

VWL001

Materials

Brass

Colour Options

Frame Colour - Brushed Brass

Cable Colour - Black

Canopy Colour - Brushed Brass

Cable Length

Min distance from wall 30mm (1.2")

Light Source

Voltage -24V

Power Usage - 46.5W

Lumens - 3675

Colour Temperature - 2700K

CRI - 95

Average Life Span - 50,000 Hours

Dimming

DIM001 - Ltech remote controller

DIM002 - D1 touch panel

DRI06 - 1-10V dimmable driver

DRI09 - Phasecut driver EU

DRI11 - Phasecut driver US

Packaging Dimensions

W 98 x D 86 x H 10cm

W 38.6 x D 33.8 x H 3.9inch

CBM - 0.084/CBF - 2.98

Packaging Weight

5.5kg/ 12.1lbs

Certification

CE, UL and cUL

Warranty

3 Years
